## Example Floor Plan Unit 2

RiverPointe Townhomes elevate modern luxury to a new perspective—where design, lifestyle, and setting come together seamlessly. Expansive open-concept interiors are complemented by stunning rooftop decks that showcase sweeping river views, creating a one-of-a-kind backdrop for entertaining, relaxing, and everyday living. Just steps from the East Bank Trail, convenience and connectivity are effortlessly built into the experience.

With a limited number of homes available, early buyers have the exclusive opportunity to help shape their residence—selecting finishes and details that reflect their vision and elevate the living experience even further. The result is a home that feels not only refined, but distinctly your own.

**Discover RiverPointe—where every detail, every view, and every day is designed to be remarkable.**
